Upgrade to a new career path with our 2-year Microsoft Traineeship Program!

Now taking in expressions of interest for various Host Employers in Canberra to complete a Cyber Security Qualification!

The Microsoft Traineeship Program is designed to support budding IT professionals to take the first step in their career. This is an opportunity to gain paid work experience in the IT field while gaining the **nationally recognised qualification: Certificate IV OR Diploma in Cyber Security, in addition to the latest Global Microsoft certifications** as part of the Azure Administrator Certification Track.

If you are successful in joining the Microsoft Traineeship Program, MEGT becomes your legal employer and you **will be hosted with one of our clients from the Microsoft Australia partner network.**

About you:

- Do you have a true passion for technology and enjoy tinkering with computers?
- Excellent customer service skills
- Outstanding written and verbal communication skills

- A valid Australian driver's license and own reliable car (preferable)
- An Australian Citizen, Permanent Resident or have Australian full working rights

On the job duties may include:

- Providing technical support and troubleshooting for hardware, software, and/or network issues
- Assisting users via phone, email, or in person, resolving technical problems
- Enforcing IT security policies and promoting data protection
- Installation, configuration and maintenance for hardware, software or networking
- Managing user accounts and providing training on system usage
- Utilize IT systems and procedures, document and maintain knowledge databases

Benefits:

- **Full-time paid traineeship: earn while you learn, with No HECS Debt**
- Gain a nationally recognised qualification, Cert IV OR DIPLOMA in Cyber Security and gain Global Microsoft Certifications
- **Access to a range of exciting career paths within the IT sector**
- Job security and stability through our Group Training Organization
- Receive mentoring and support throughout your traineeship from your designated Field Officer

***Eligibility criteria may apply for this program in relation to work rights, prior qualifications, police check, Working*

*with children's check and COVID-19 vaccination requirements. Applicants are assessed accordingly. **Please note this is NOT a Graduate Program.*** **
