More jobs from this company

Are you a talented Database Administrator (DBA) looking to take the next big step in your career? Look no further! We are supporting multiple DBA positions for a large federal government department looking to expand their expert database administration team. If you have a passion for data management, innovation, and career growth, your journey begins here.

Cleared ICT are currently supporting a large government department who are looking to engage Database Administrators with **NV1 clearance or above**. This is a contracting opportunity is based in Canberra, Melbourne or Sydney.

The Department requires all potential candidates to hold or have the ability to upgrade to a TSPV clearance.

Key Responsibilities:

- application maintenance and support services, either directly to users of the systems or to service delivery functions
- investigation and resolution of issues and may also include performance monitoring.
- providing advice or training to users, by devising corrections (permanent or temporary) for faults, making general or site-specific modifications, updating documentation, manipulating data, or defining enhancements
- collaboration with system developers and/or with colleagues specialising in different areas

Why Wait? Apply Now! ALL LEVELS are welcome to apply!

To arrange a confidential conversation or apply, please contact Paige on **0434 419 189** or to view all our current openings, please visit <https://www.clearedict.com.au/jobs>

At Cleared, we provide tailored recruitment solutions to individuals seeking their next opportunity and to organisations searching for talent within Defence Industry, Intelligence and National Security.

Be careful

Don't provide your bank or credit card details when applying for jobs.
