Dear Hiring Manager,

I am forwarding my resume to you after seeing the classified ad for an experienced Centre Chef to join your kitchen. I would appreciate being considered for the position.

As a Chef with more than 5 years working in busy kitchen, I have been looking for a growth opportunity and a chance to further my career in an environment like this.

I have been part of the hospitality and food service industry for more than 5 years. Achieved Certificate IV in commercial cookery which makes me became a Chef and graduated from CIT in Advanced diploma of Hospitality Management that keep me growth again.

As a Chef I have also trained junior chefs and collaborated with senior chefs in planning and developing new menus and presentation. I am confident in the safety of food handling and take a great pleasure in providing a high level of customer service.

I would love to come in for an interview to discuss the details of your Chef position. I would also like to meet some of the other chefs and see the kitchen.

Best Regards,
Jun Zhou
